

Automate Performance Management and Simplify Collaboration

Control every aspect of your business with our all-in-one performance management platform for your teams (employees, partners and suppliers)

Performance Management

Simplify performance management and make it easy for your teams to drive their success

Project Management

A powerful tool to manage projects and digitize processes quickly and easily.

HRMS

Powerful HR tool covering all your people's needs

Rewards

Reward and motivate your rock stars so that they continue to move and shake your business straight to success

Task Management

Simplify task management and distribution (1:1 or to everyone) with a single view that helps with prioritisation, collaboration and progress

CRM

Manage all your sales, marketing, support, and suppliers effortlessly

Collaboration

Structured yet simple and efficient tool for team communication and knowledge sharing

Gamification

Make performance management fun and exciting for your team

Document Management

Create a "toolbox" for each role to increase productivity and stop losing time hunting

Business Intelligence

Have a look across the organization to see the trends in the business.

Custom Integrations

Simplify employee experience and hide your spaghetti junction of tools with one interface into your business

Communications

Design custom feeds that automatically pull and organise internal and external information to save time spent searching

- Custom Role Views
- Blogs, News, Careers
- Unlimited Feeds
- Posting and Sharing Boards

[LinkedIn](#) [YouTube](#) [Facebook](#)

iHive is your tool for pushing internal and external information feeds to your teams. Push news on your customers, industry, competitors, regulations, etc. Plus extend your feeds to cover blogs and jobs to reduce your teams time hunting on the web

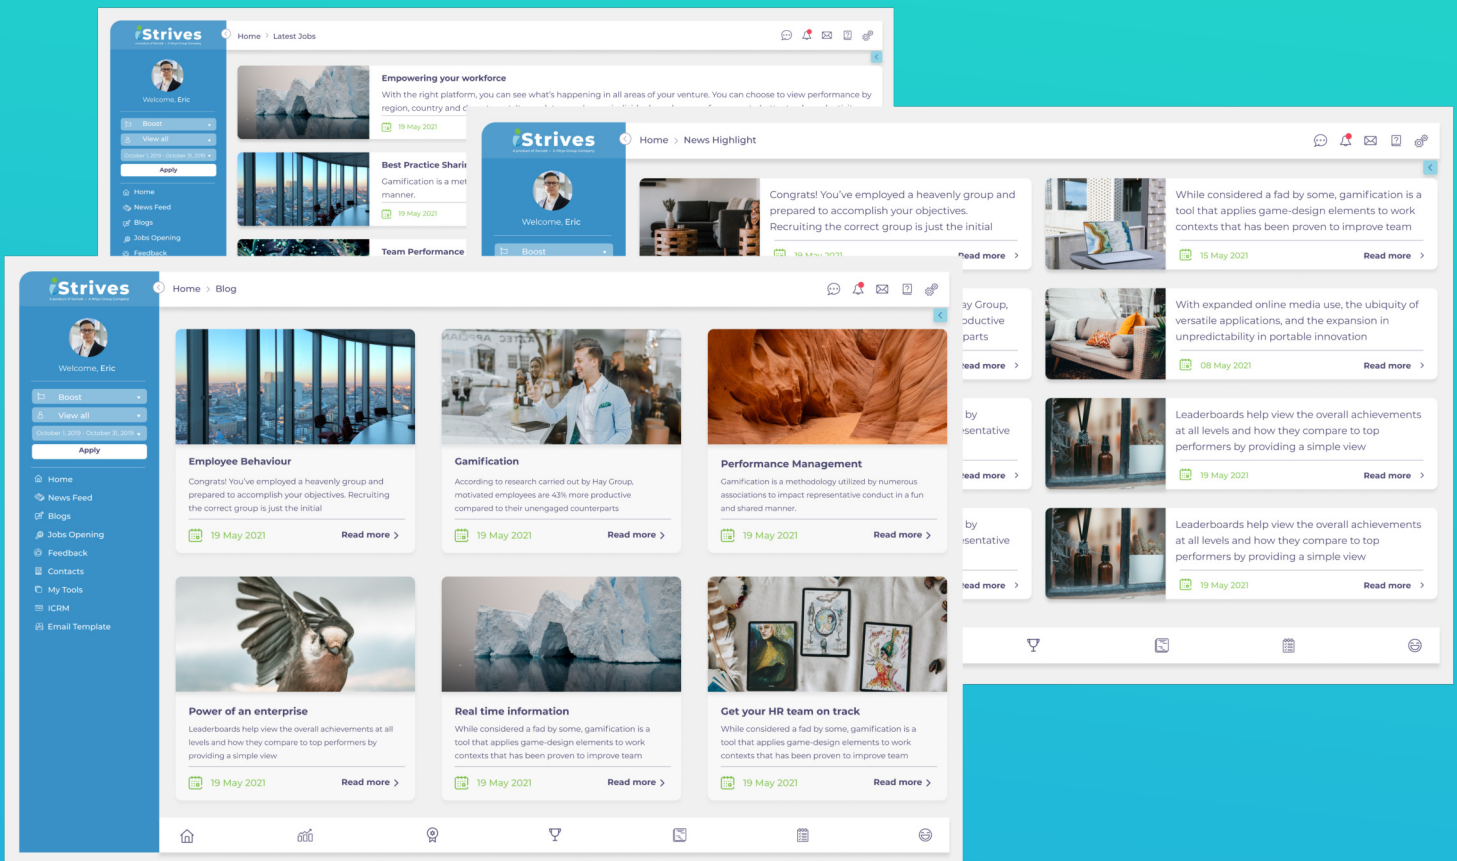

Custom Role View

Create your feeds by role in your organisation so that what they see is relevant and helps drive productivity

Blogs, News, Careers

Tailor your feeds to include your internal information like your company blogs, News and even jobs so that your team is focused on growing in your company

Unlimited Feed Boards

You can create as many board feeds that you need so that it is quick and easy to find information

Posting and Sharing

Use this feature to create buzz in your organisation and interact with each other on general events and activities that are going on across the company
