

We make it easy for you to employ, manage and pay anyone anywhere around the world

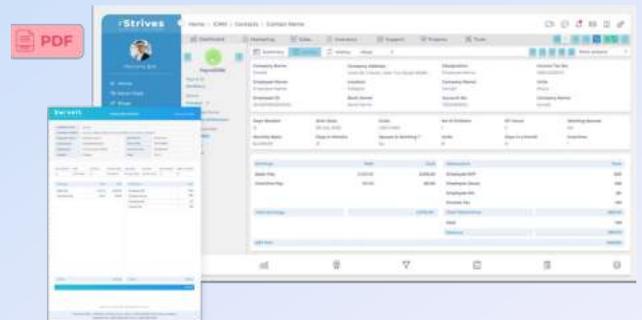

# Employer of a record

## WHAT WE OFFER

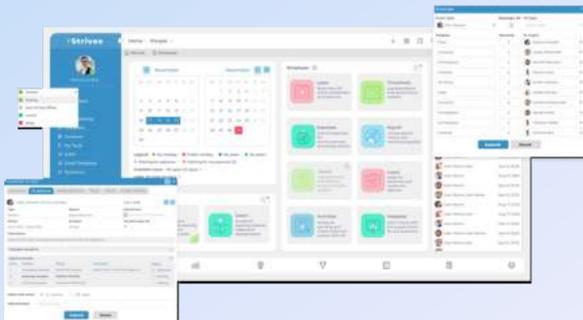

### Employer of Record (EOR)

Hassle free worldwide employment even if you don't have a local entity

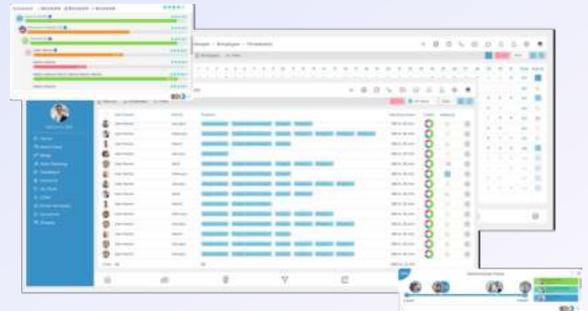

### Global Payroll

Simplify and consolidate your payroll processes and get a single view into your global payroll costs

### HRIS

All the tools you need to make managing your employees easily

### Performance Management

Get real-time performance mechanics and gamification to drive performance & motivate your teams

## 3 STEPS TO GET STARTED

### 01 Remote candidate

You would like to employ candidates around the world even if you have no local entity.

### 02 Cost calculation

Provide us with the details of your candidate, and we will inform you of the cost accordingly.

### 03 Contracting

Now, just relax while we handle all the employment process for your new team member and manage all local compliance and administrative tasks.
